

how to make a mini-zine

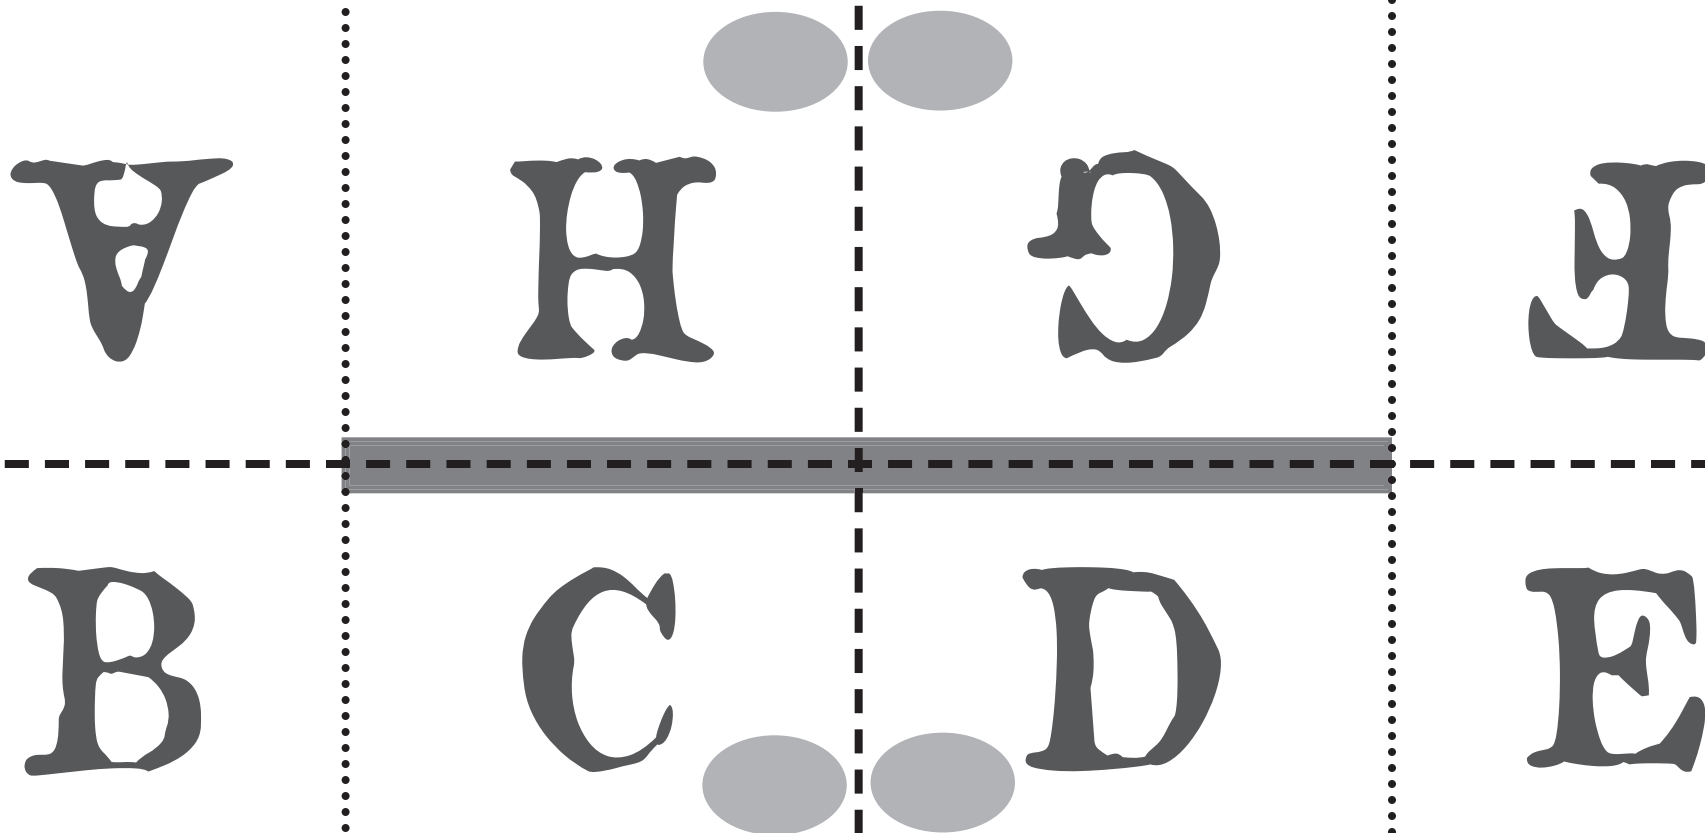

1 Fold in half from side to side;
reopen.

2 Fold in half from top to bottom;
reopen. Flip over.

3 Fold this side in to middle; reopen.

4 Fold this side in to middle; reopen.

5 Slide both sides in toward the middle to make the middle pop up like a tent.

6 Cut the middle apart with scissors (along the gray strip).

7 Pinch the middle fold with each thumb and finger on the ovals and pull out and down until the pages meet.
